

Sarah Hull Hallock Free Library

Behavior Policy

The Library is a place for all community members. In order to ensure a safe and enjoyable library for all, we ask that the following rules be respected.

- Absolutely no eating or drinking is permitted on the Main Floor of the Library (except during Library Special Events).
- Library patrons are expected to maintain the quiet atmosphere of the Library and respect the rights of all patrons.
- Use of foul, offensive, or threatening language is prohibited. Appropriate behavior is required at all times.
- Appropriate clothing (shirts and shoes, no bathing suits) must be worn at all times.
- All children under the age of ten (10) must be accompanied and supervised by a parent or guardian at all times, unless a child is attending a Library program and has permission from the Library staff.
- All patrons must exit the Library through the main door at closing time. There are no exceptions. In the event that a child or teen is in the Library at closing time, the Library staff will have the child or teen contact a family member. Staff is not permitted to remain after hours or to drive a child home. If a family member cannot be reached, the police will be called.
- Library telephones are available for patron use only in the case of an emergency.
