

*June in Bloom*

Our thanks to volunteers and the Hamlet of Milton Association for the floral display in front of the Library. <https://www.facebook.com/hamletofmiltonassociation/>

Behind the library, we're planting vegetables. Let us have lettuce. . . and tomatoes, peppers, cucumbers and carrots. We hope to share them with you later this summer.

**WHERE DID ACORN GO? I CAN'T CONNECT.**

**You're Right:** Due to the merger between RBDigital and Overdrive, some RBDigital streaming services are no longer available. The Great Courses can be found at a new [Ulster County Libraries Overdrive](#) and Libby app. You can also find some e-books and e-audio on this site. More video on demand services will be added as they become available.

You can add Ulster County Library Association as another Library to your Overdrive account and Libby app by following these directions: [<http://%20https://help.overdrive.com/en-us/search.htm?q=add%20a%20library>]

These services are provided by funds from the Ulster County Legislature and are available to all residents of Ulster County with a library card.

*The late Denise Heude created this lovely painting. Denise is sorely missed by her fellow artists of Art Escape. This group met (pre-pandemic) once a week at the Library to pursue individual creative endeavors in a supportive and friendly atmosphere. The Library hopes to get Art Escape back on the schedule by autumn.*
